## National Parliament Building Tour

### Tour Itinerary

- **Pick up and start the tour.:**

Our guide will come to pick you up from your nominated place and start moving to the parliament building. Your pickup time will depend on the visit time given by the parliament visit cell. it might be before lunch or after lunch. in the case of the visit time before lunch, we will pick you up from your pickup place from your hotel/residence at around 9 am. if it is after lunch then 11 am pick up.

- **Visit parliament building from the outside:**

After reaching the parliament building area you will visit from outside and walk a bit by the side walkway by the MP hostel area opposite Chandrima Uddan. We will get out of the car to visit the parliament building far from the north and south side this will take about 30 mins

- **Arrival at the main security post for permission to get inside the main building.:**

At the main security gate, which is about 80 meters away from the main entrance of the main building where our vehicle and number of people will be checked and will allow us to enter our car up to the entrance of the parliament building.

- **Entry to the Parliament building.:**

There will be a delegation team from the visit cell who will receive us from the entrance of the main building with a security team. Here at this point, our guide/academic will brief you in detail about the parliament building and its features. After this, we will enter the parliament building. [ Please read the note section on what you can't carry inside the parliament building.]

- **Inspiration of modern architecture.:**

Visit the exclusive interior area of the National Assembly Building. Once you are inside the [parliament building](#), it is time to discover the metaphor for placing the new democratic government at the heart of the building along with eight halls that are concentrically aligned around the impressive parliamentary chamber. The inlaid white marble used to fabricate the entire complex out of poured-in-place concrete is not only a modernist statement of power and presence but also more of a testament to the local materials and values.

- **Lunch Break:**

Although this parliament building tour takes only 2 hours, including outside and inside due to the traffic and time given by the parliament building authority, it is generally around lunchtime. That's why we invite our guests to taste lunch either in the parliament cafeteria (\*\*condition applied) or in any decent Bangladeshi restaurant near the parliament building to taste authentic Bangladeshi cuisine.

- **Return journey to Gulshan:**

Drop at the hotel/your residence at your place and say goodbye and thank you for taking our service. End of the tour.
